## MATERIAL HANDLING INFORMATION & LIMITS OF LIABILITY

### CONVENTION SERVICES OF THE SOUTHWEST, INC.

#### MATERIAL HANDLING (DRAYAGE) INFORMATION

- ❖ As an exhibitor, you are responsible for providing your carrier with proper delivery and pickup information for your materials, both in advance and at show site.
- ❖ Please prepay all shipping charges. **CSS** cannot accept or be responsible for collect shipments. Keep in mind, **material-handling** (Drayage) charges and shipping charges are not the same thing. “Drayage” is the movement of freight from decorator warehouse or show-site dock to exhibit booth and back out to the “freight carrier” at the show-site dock. “Freight Shipping” is movement of freight from city to city on a designated carrier.
- ❖ All shipments must be accompanied by a bill of lading. Shipments received without receipts, freight bills or specified unit counts (UPS, Federal Express, personal vehicles, etc.) will be delivered to the exhibitor’s booth without guarantee of piece count or condition. No liability will be assumed by **CSS** for such shipments. Shipments without certified weight documents will be estimated by **CSS**. \*This estimate will be binding on both parties and no adjustments will be made after the show closes.
- ❖ **We will accept all cartons, crates and skidded materials at the warehouse. Do not ship uncrated materials to the warehouse. Loose, uncrated or machinery not banded to skids will be accepted at show site only.**
- ❖ **All van line shipments must be accompanied by a “certified weight ticket”, with heavy & light weights or else CSS will estimate freight weight, which will be binding on both parties and no adjustments will be made after the show closes.**
- ❖ All shipments for the show received either in advance or at show site will be charged material handling by **CSS**. Please refer to the “Material Handling” Rate sheet. All material handling rates are roundtrip and are based on incoming weights only. Overtime charges may apply under some circumstances, such as carrier-delayed freight delivered after designated move-in times.
- ❖ “Off-Target” freight is when a carrier delivers freight to show-site before the designated move-in day(s) and is re-routed to our warehouse. Freight will be charged at the advance freight rate. When freight is delivered to our warehouse after the designated move-in day(s) and **CSS** moves it to show site, freight will be charged at the advance freight rate plus a late delivery charge. Please refer to the “Material Handling” Rate sheet.

#### **MATERIAL HANDLING INCLUDES:**

- **Storing your booth, equipment and materials in our warehouse for up to 30 days in advance of the show. (Advance shipments only).**
- **Delivering materials to your booth at show site.**
- **Removing empty containers from your booth, storing them for the duration of the show, then returning them to your booth at close of show.**
- **Moving packed and labeled materials from your booth to the dock area at close of show and reloading them on designated carriers based on information provided on your show site bill of lading (obtained from CSS Service Center).**

#### **MATERIAL HANDLING DOES NOT INCLUDE:**

- **Labor and/or equipment for uncrating, unskidding, assembling, positioning, leveling, dismantling, rekrating and reskidding machinery and/or equipment for exhibitors. Additional labor to accomplish these tasks may be ordered from the “Labor Order Form” enclosed.**
- **Scheduling any carrier for pick up or delivery of your materials, if other than the official show carrier(s). All carriers must be checked in by the designated re-routing time or exhibitor freight will be either re-routed with show carrier or returned to CSS warehouse at exhibitor expense. Please refer to “Material Handling” Rate sheet for re-route times.**
